

April 24, 2021.

Notice of temporary closure due to state of emergency announcement.

We have decided to temporarily close THE ENTENTE Fitness Club from April 25 (Sunday) in response to the request from the Governor of Hyogo Prefecture for a state of emergency and the government's declaration of emergency on April 23, 2021 (Friday). The state of emergency will cover the entire Hyogo Prefecture.

Regarding the reopening of the club, we are planning to resume club operations on May 12th - the day after the state of emergency is lifted. However, the decision to reopen the club will be based on the coronavirus infection status and an announcement from the government agency.

The reopening date of the club will be updated and posted on our club's webpage.

We will inform you about how monthly membership fees will be affected by the temporary closure at a later date. We apologize for the inconvenience caused by this issue and thank you for your understanding.
