THE ENTENTE Fitness Club
Club Manager: Takeshi Kikuzawa

Notice of partial revision of monthly membership fees.

Dear members,

We would like to thank you for your continued patronage.

Since our club first opened 30 years ago in 1992, current monthly membership fees have remained unchanged. However the recent surge in electricity rates, labor costs, and various other overhead have increased our operating costs and the situation to maintain the current fees has become very difficult. We are making efforts to reduce our expenses but it has become difficult to improve them under current circumstances. Therefore much to our regret we must inform you that from April 1, 2023, a portion of the monthly membership fees will be revised as follows.

We apologize for the inconvenience this will cause our members, but we assure you that all staff will continue to work hard to improve our services so that everyone can enjoy a pleasant and enjoyable club life. We greatly appreciate your understanding. Thank you.

New price (tax included)	Current fee	Revised fee
Resident family member (2nd person)	6,600 yen	8,800 yen
Regular family member (2nd person)	11,000 yen	16,500 yen
Guest usage fee	2,200 yen	3,850 yen

* There will be no change in the monthly membership fee for other individual (first person) members.
